

MISSION AND GOALS

MISSION

The purpose of the Concord Township Bicentennial Committee is to coordinate the celebration of Concord's historical and cultural heritage, with an eye on the present, while looking toward the future of our community.

We hope residents of all ages come together and celebrate with pride our Township's 200 years of history in an informational, entertaining, and affordable atmosphere.

We encourage residents, friends, community groups, and neighbors to help plan, participate, and share in our community celebration.

GOALS

The vision of the Bicentennial Committee is to inspire our community to shape the future by preserving the past.

The Bicentennial Committee's overall goals include:

- Articulate what is unique and special about Concord Township
- Celebrate the incorporation of Concord Township and 200 years of our history
- Create awareness, civic pride, and community involvement among citizens of all ages
- Create lasting memories and legacy projects
