- B. LETTER OF RECOGNITION / EAGLE SCOUT ALEXANDER SPONDIKE. Mrs. Luhta moved to approve the following Letter of Recognition for Eagle Scout Alexander Spondike:

Letter of Recognition
Eagle Scout Alexander W. Spondike

It is with great pleasure that the Trustees of Concord Township extend their congratulations to Alexander W. Spondike for attainment of the very prestigious honor of Eagle Scout.

Your hard work and dedication has placed you in a category that is only realized by about 2% of your scouting peers, and as a result, you will stand among those Eagle Scouts who have become great leaders in this country.

You have exemplified the ideals and goals of scouting in innumerable ways, including participation in many campouts, active in the Order of the Arrow serving in various leadership positions including the highest-ranking position of Senior Patrol Leader, and just completed your term as President of Venturing Crew 68. We congratulate you in balancing your academics at Harvey High School by taking a full load of college preparatory classes, and participation in school activities such as Marching Band and Concert Choir. You also are a member of Future Business Leaders of America where your team won First Place at the State Competition.

It is impressive that you have chosen scouting from your youngest years as one of your primary guides towards character development. Your Eagle Scout project consisting of the construction of four benches, and a beautifully handcrafted "Open" sign for Concord's Old Stone School is very much appreciated by the Concord Township Board of Trustees. The sturdy benches identically match the existing historically accurate benches, and will accommodate much needed additional seating. The handmade wooden sign is complete with hand-forged metal links and a post crafted to resemble a pencil that would have been used in the 1800's when the school was operational. The added drawing of Elga Pomeroy's school bell on the sign honors the artifact displayed in the school. Additionally, the coordination with the Garden Club ensured plantings around the new sign would be historically accurate. The results of your Eagle Scout project were beautifully made, historically authentic, with handcrafted designs, will be enjoyed for many years.

Eagle Scouts are leaders by the nature of their accomplishments, which you will have the opportunity to expand upon through your education and participation in community service.

Congratulations, and we look forward to watching you grow as a future community leader.

Sincerely,
The Concord Township Board of Trustees

Mr. Galloway seconded. Vote: 3 ayes

- C. LETTER OF RECOGNITION / EAGLE SCOUT DOMINIC ROMANO. Mrs. Luhta moved to approve the following Letter of Recognition for Eagle Scout Dominic Romano:

Letter of Recognition for
Eagle Scout Dominic M. Romano

It is with great pleasure that the Trustees of Concord Township extend their congratulations to Dominic M. Romano for attainment of the very prestigious honor of Eagle Scout.

Anyone who has known a Scout understands the hard work and dedication that accompanies the achievement of Eagle Scout. However, it is certainly worth noting that only about 2% of your peers will achieve this same rank and that you will stand among those Eagle Scouts that have become great leaders in this country.

It is impressive that you have chosen scouting from your youngest years as one of your primary guides towards character development. Your Eagle Scout project consisting of the construction of twelve 6 ft. by 2 ft. eyeglass donation boxes for the Painesville Lion's Club, who distributes them throughout the community to help to improve the vision of countless residents who cannot afford eyeglasses, will enhance the quality of life within the community.

Eagle Scouts are leaders by the nature of their accomplishments, which you will have the opportunity to expand upon through your education and participation in community service.

Congratulations, and we look forward to watching you grow as a future community leader.
