3) What is needed to complete a zoning permit application for an addition?

- A diagram or site plan (drawn to scale) that shows the size and the proposed location of the addition, including the proposed setback distances to front, side and rear property lines. Riparian setbacks, if applicable, are required to be shown as well.
- Building plans should also accompany the site plan to verify the dimensions and proposed height.
- \$100 permit fee.
- Zoning permit applications are completed online or at the Zoning Office.

4) Are any other permits needed?

The Lake County Building Department also requires permits for building additions. Contact the Building Department for more information at 440-350-2636.
