### AUDIENCE:

- Boy Scout #1 asked if there was a new grocer going into Reider's; Mr. Galloway stated that there has been a lot of work done by the Township and there is a grocer interested; it is on hold as the company that owns the real estate, known as Gristmill, is in foreclosure with their bank; it is currently going thru the legal process; Mr. Malchesky added the interested grocer would like to find out who the new landlord will be before proceeding
- Boy Scout #2 asked if the program that purchased the houses along 608 by Jordan Creek was run through the Township or Painesville Soil and Water; Mr. Galloway responded the Township; Boy Scout #2 asked if the program was still available; Mr. Malchesky responded the Grant for Jordan Creek was a joint effort with Township, Soil and Water, Stormwater and FEMA; the Township got in on the tail end of what the program allowed so we just got in; whether or not they open up that program again or there is a different grant out there we will wait and see; prior to that the condos in front of the dam on Prouty Road was a USDA grant; they come, they go, so you look to different places to find them
- Boy Scout #3 asked if the Township has a traffic plan for heavy traffic on 608 during peak school times; Mr. Galloway responded that will not be our traffic plan as it falls within the ODOT realm since 608 is a state route; we certainly have opinions and we did ask about a turn lane which is not going to happen at this time; Riverside Schools is directly negotiating with ODOT; Mr. Malchesky also commented that the school provided ODOT with a study regarding this issue
