

Throughout October, Painesville City Water will be flushing their hydrants within Concord Township. This process requires them to leave the hydrants unattended and flowing water. Their schedule is to open hydrants mid-morning and return to close them beginning mid-afternoon.

If you have a concern about a hydrant flowing water, don't hesitate to contact Painesville City Water at 440-392-2975 or the fire department at 440-354-7504
