## Girdled Road Project

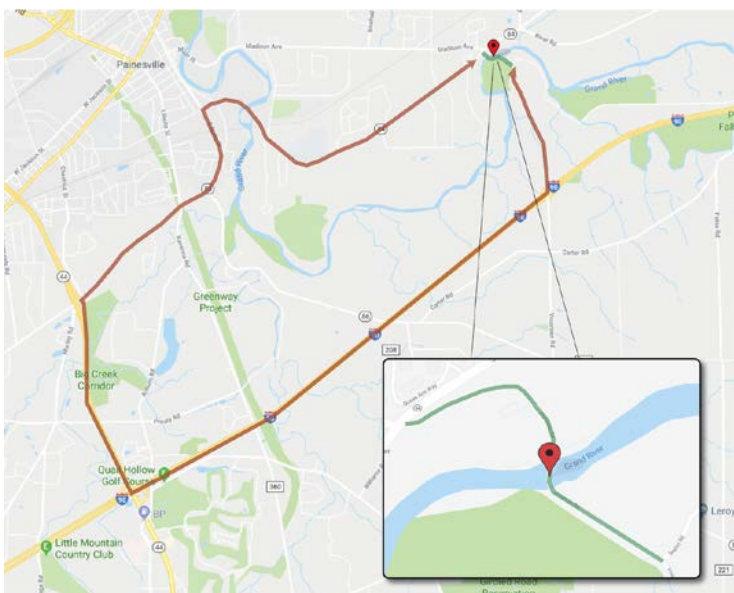

April 17, 2019: Milling and paving on Girdled Road has begun and will continue weather dependent. Please expect a five minute delay in traffic pattern. Contact the Lake County Engineers Office at (440) 350-2770 for more information or questions.

## State Route 84 (Johnnycake Ridge Road)

Replacement of the existing traffic signals at the intersection of SR 84 and SR 44 and SR 44/SR 84 at Chestnut Street in Concord Township. Off-peak lane closures. Estimated start date is May 2019. Estimated completion date is May 2020. Contact ODOT's Public Information Office at [D12.Public.Information@dot.ohio.gov](mailto:D12.Public.Information@dot.ohio.gov), (216) 584-2005 or (216) 584-2007 for more information or questions.

## Vrooman Road Bridge Project

Vrooman Road will be closed between Seeley Road and SR 84 (South Ridge Road) during construction of the new bridge. Motorists are detoured via I-90, SR 44 and SR 84. Through October 2020, the intersection of Seeley Road and Vrooman Road is closed. Seeley Road will remain accessible via Paine Road. During the intersection configuration on SR 84 (South Ridge Road) and Vrooman Road, South Ridge Road will remain open in both directions with one lane utilizing a temporary traffic signal.
