

2019 CONSTRUCTION UPDATES

Check Back Frequently for Up-to-Date Information

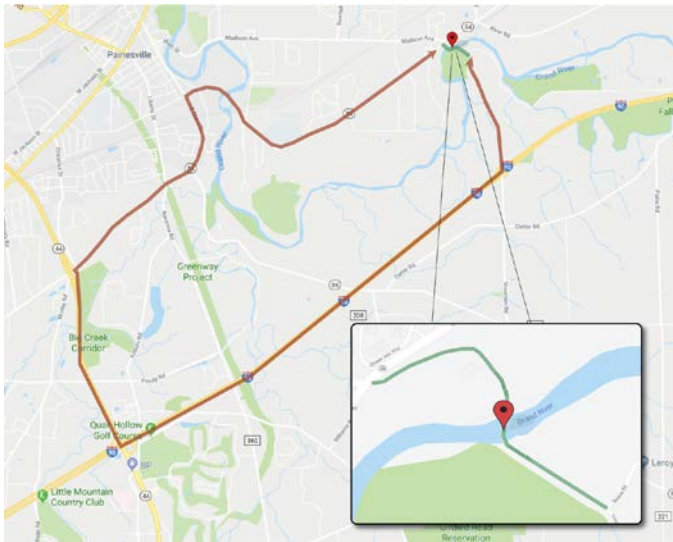

Christian Avenue & Jason Avenue Reconstruction

July 16, 2019: The reconstruction project on Christian Avenue and Jason Avenue is now complete with the exception of lawn restoration, which will take place at a later date. Contact the Concord Township Service Department at (440) 350-3226 for more information or questions.

Vrooman Road Bridge Project

The entire project will construct a new Vrooman Rd. bridge over the Grand River on a new alignment, along with the resurfacing of the existing Vrooman Rd. between the new structure and I-90. Tentative completion date: October 2020.

****UPDATED**** - Through late-September, Lane Rd. is closed at SR 84 for roadway work. The detour will be Sheppard Rd. Through November, SR 84 at Lane Rd. is restricted to **one lane** by a temporary traffic signal. River Rd. at SR 84 is **closed permanently**. All traffic wishing to use River Rd. will be directed to use Adams Rd. Through fall 2020, the intersection of **Seeley Rd. and Vrooman Rd. will be closed** to accommodate the construction work zone. Seeley Rd. will remain accessible via Paine Rd., maintaining access to Indian Point Park. Access will be maintained for emergency vehicles.
