

## Wanted: Concord History!

Concord Township will celebrate its Bicentennial in 2022! In preparation for our special year, we are writing a book on Concord Township history, and you can contribute to it!

We are seeking pictures – lots of pictures – for the book. We want pictures of family life in Concord through the years. We want pictures of early businesses in Concord. We want pictures of Concord's natural beauty through the years. We want to see any picture of Concord history you want to share! We won't keep the pictures, rather we will scan them into our database and give them right back to you. In addition to the pictures, we want to know the story behind them. Who are the people in the picture? Where exactly was it taken? We truly appreciate anything you can share with us!

Below is a picture of the south wall of the kitchen at the Concord Community Center, located at 7671 Auburn Road. It shows our progress on each page of the book. As you can see, we have begun to select pictures for each chapter in the book and are starting to populate the pages of the layout.

**But there is still time to share your pictures and your stories!** Simply contact a member of the Concord Township Recreation Department at 440-639-4650 to set up a time to stop by with your pictures and stories.
