

2020 CONSTRUCTION UPDATES

Check Back Frequently for Up-to-Date Information

Cali Woods Development Resurfacing Project

Updated June 16, 2020: The Cali Woods resurfacing project is expected to be completed by the end of June due to additional repairs needed. Residents with questions or concerns may contact the Service Department at (440) 350-3225.

State Route 535 resurfacing - SR 535 between Windjammer Ct. and U.S. 20 in Painesville Township will have various lane restrictions maintained by flaggers for resurfacing work beginning Monday, August 10. **Estimated Completion:** mid-October

Vrooman Road Bridge Project

UPDATED August 7, 2020: Construct a new Vrooman Rd. bridge over the Grand River on a new alignment, along with the resurfacing of the existing Vrooman Rd. between the new structure and I-90 in Perry and LeRoy Townships.

Estimated Completion: October 2020.

NEW IMPACTS

- **Vrooman Rd. over the Grand River** is closed to **northbound** traffic through October for bridge construction. The detour is I-90 to SR 44 to SR 84.
- **The intersection of Seeley Rd. and Vrooman Rd.** will be closed to accommodate the construction work zone through the fall of 2020.
- **Detour:** Seeley Rd. will remain accessible via Paine Rd., maintaining access to Indian Point Park. Access will be maintained for emergency vehicles.

Contact ODOT's Public Information Office at D12.Public.Information@dot.ohio.gov, (216) 584-2005 or (216) 584-2007 for more information or questions.
