MEMORANDUM

TO: JEDD Board

FROM: Rita McMahon, Administrator

RE: 2021 Insurance proposals

The JEDD received two (2) proposals to provide the Board with insurance coverage for 2021 in response to a request for proposals which was sent out on October 2, 2020. The proposals came from The Ohio Plan, Love Insurance, our current provider, and Public Entities Pool of Ohio, Pollutro Rossley Insurance and Burnham & Flower of Ohio. The proposals have been reviewed by Christine Shoop and me for responsiveness to the request, levels of coverage and cost.

After extensive review and clarification where necessary from the insurance agents, Christine and I are recommending obtaining coverage through the Public Entities Pool of Ohio. The levels of coverage, the small or non-existing deductibles and the cost were major factors in our decision-making process.

Additional details will be provided at the meeting outlining our reasoning for the change in provider.
