All lot owners, visitors and contractors performing work within the cemeteries shall be subject to the Rules & Regulations. Concord Township reserves the right to review, revise, add or delete rules as necessary. An item not addressed in the Rules & Regulations will be considered not permitted. Concord Township is not responsible for broken or stolen items and reserves the right to remove articles which are not consistent with the purpose of the cemetery or which impede maintenance of the grounds.

PURPOSE

The aim is to make the cemeteries a natural, quiet and beautiful resting place. It is our responsibility to maintain the cemetery in such a way to protect all who have an interest. Sometimes, the desire or need to personalize a grave with decorations may conflict with our need to manage the grounds. Concord Township Cemetery regulates the use of grave decorations to ensure the efficient maintenance of the cemetery and to provide a safe environment for visitors and employees. The Rules & Regulations are to help protect all who have an interest here.
